

... a teacher, a doctor, an athlete, an ARTIST!

Plaster Playhouse is *the* place to get creative and let your imagination run wild. Be who you want to be and do what you want to do! This summer we want to encourage that "Can Do" attitude in our fun-filled day camp program. We'll spend one day each week exploring different fields – from athletes to teachers and astronauts to...artists! We believe that each child (and adult) has an artist within and each child believes that they can grow up to be anything they want to be! Come explore the endless possibilities with us this summer each and every Thursday!
